

I love Sundays

Sunday is my favourite day.

I usually get up late and have a big breakfast.

Then I do my homework for school.

I also help my mum cook lunch. I set the table and my sister clears it after lunch.

Nobody likes washing up the dishes, that's why we have a dishwasher.

In the afternoon I usually meet my friends and play basketball.

We sometimes hang out at the mall if the weather is bad.

I never go out on Sunday evenings.

My friend Laura often comes round and we play computer games or we watch a DVD.

Then I surf the Net and chat with my friends online before I go to bed at 10 o'clock.

Sundays are fun, but Saturdays are not always. We do the housework on Saturdays.

My mum does the biggest part of the work but everybody helps her in the family.

I usually clean my own bedroom. I want it to be neat and tidy. I always take out the rubbish.

My sisters clean their own bedroom as well.

Mum does the laundry and the children hang out the clothes. She doesn't like ironing so I often help her.

We have a big garden. My dad loves gardening so it's his job. He often cuts the grass and he waters the plants every day. My brother washes the car on Saturdays.

We have a guinea pig and three hamsters and we clean their cages on Saturdays too. It's my job but my sisters often help me.

1. How do you spend your weekend?

2. Do you help with the housework?
