

Teenage life in Britain

Families in Britain are usually small, but family life is sometimes very busy! Both parents in a family often work, so teenagers have to help around the house a little bit. In the evenings, many British families watch soap operas like 'EastEnders' on the telly together.

School starts at 8:45. Pupils study some really interesting school subjects, like IT, Citizenship and Food Technology. When school finishes, at about 3:30, many pupils go to an after-school club, like „French club” or „Drama club’. Pupils in Britain always wear a school uniform.

Like all teenagers, British teens love watching TV, playing computer games and surfing the Net! But many also belong to clubs such as karate or dance clubs or they do skateboarding or rollerblading. On Saturdays, many teens enjoy going shopping or to the cinema with their friends.
