

Daily Routine

I get up at six o'clock. I go to the bathroom. I wash my face, brush my teeth and comb my hair. I get dressed. I have breakfast at half past six. I listen to the radio when I have my breakfast. I go to school at seven o'clock. I take the bus number seven to school. (My mother takes me to school by car.) (I go to school on foot, because it isn't far.) I meet my friends at the playground. Lessons start at quarter to eight. We have lunch at the school canteen after the lessons. We usually finish school at ten past one. I go home and I do my homework from half past three to five o'clock. In the afternoon I play on my computer or I meet my friends. Once a week I go to music lessons (and to football trainings.) We have dinner at half past six. I watch TV from quarter past seven to nine o'clock and next I have a shower. I go to bed at half past nine. I read a bit and then I go to sleep.
