

## 5 My Home

I live in ..... street, in ..... I don't live far from the centre. It takes 15 minutes to get from my place to the school.

We live in a detached house and we have got a garden too. We have got 4 rooms. There is a living room, a kitchen, a toilet and a hall downstairs and there are 3 bedrooms and a bathroom upstairs.

My bedroom is great. It's big and there is some furniture in it. I've got a bed, a desk, a chair, a wardrobe, a dressing table with a mirror and a bookcase.

Our kitchen is very big. There is a dining table with four chairs. There is a sink opposite the fridge. Next to the sink there is the cooker.

In the bathroom there is a washbasin and a bath. We have got a small hall. There is a mirror and a wardrobe.

We have a large garden which is always full of flowers, like tulips and roses. In the middle of the garden there is a huge trampoline.

I am very happy to live here, because Kecskemét is a beautiful town.
